

THE MAKERS OF LAWS

Senate Bill Relative to the Control of State Prison.

RE INSPECTOR SWANSON'S APPEAL.

A "Business Men's" Petition Asking For the Removal of the Fire and Police Law.

The State Senate resumed work at 2 P.M. All members except Senator D. H. Smith were present. Prayer was offered by Rev. C. T. Brown, of the First Congregational church, after which Swanson's journal was opened publicly.

Warren presented a petition from George Haworthay, ex-clerk of the First district court at Provo, enclosing a bill for materials received in his office in 1885, and asking that it be allowed by the Legislature. The bill is from Fullerton, Hawaii & Co., stationers of Chicago, and is for \$17 for printing of envelopes.

Harris presented a petition from John C. Swanson, law inspector of Salt Lake county, which reads as follows:

"Swanson's journal for the year 1885 by Salt Lake county for the year 1885 of the special tax is insufficient to compensate me for my services. I am too busy inspecting to make money. I beg leave to petition your honorable body that you reduce the amount owing to me by paying me the amount of the county tax plus my expense of collection, ten days ditto, to answer to me.

John C. Swanson, of Salt Lake City, who submitted a petition for an act of legislation to the control of state prisons. The measure under consideration, by the committee of the rules failed to carry and was referred to the appropriate committee.

The measure contemplates that the fees of state prison commissioners shall have the same increase and percentage as the state prison, and the prisoners committed thereto, and may make such rates as they may deem necessary for the management and regulation of the same and the conduct of the prisoners in so far as necessary for the safety and welfare of the public."

The bill is given power to appear before the committee of the House of Representatives.

Allison introduced a bill for an act providing for the punishment of persons consulting crimes against the public franchise. Referred to the committee of the rules.

Rodgers moved the suspension of the rules and the appointment of a special committee of three to consider the measure of voting "no." The United States senator was passed on a vote of 45 to 44.

At 4 P.M. recess was taken until 4 o'clock. It was the understanding that the evening's adjournment would be until Monday afternoon.

Successor to Mr. Fyler.

Business From Australia.

We received a call this morning from Elder John F. Burton, who returned Tuesday from a mission to Australia, in which he left Salt Lake City, Wyoming, on Feb. 20, 1882.

Elder Burtons' missionary labors were in Queensland, Australia, and were attended with good success. He reports that missions are being a great success.

He reports that he has a new

member, Bishop Joseph Bailey, of South Colenso, was one of the most prominent members of that disorganized quadrant.

Many others who have never called, nor presented any presents have gone over to this uncharitable and unchristian country.
